Reports

Report from Administration attached.

No staff report

Student Council report from Claire to be attached

No reports from SCC executive

No regional report - Robin was not able to attend the meeting. Minutes can be shared once they are made available.

Garden Project:

Report from Arnold on cleanup day: 3 parents and 5 kids dug out weeds & old plants. Kids earned 2 hours of community service.

Arnold will proceed with design of plant material and give Robin a list to source out before spring planting.

Trevor is checking options for art centrepiece for garden: school crest or horse & spear emblem. Maybe Durham College can be approached for students in metal working to fabricate for us. We will have to supply the design. Will assess how high to mount it, how big to make it, etc.

Parent questions:

Q: Wondering about what other extra curricular programs might be run?

A: Silvia says teachers are meeting to discuss what else they can run.

New business:

November 28th Christmas drive-by - may need help with the school float. Contact Claire or Trevor if you can help.

Next meeting:

November 25th.

Motion to adjourn by Arnold, seconded by Lisa. Meeting adjourned at 7:50 pm
